About Metropolitan Hotel Dubai

Originally established in 1979, the Metropolitan Hotel Dubai was one of the city's first hospitality landmarks — fondly known as "The Met." Reimagined in 2016 along Sheikh Zayed Road, it blends timeless charm with modern elegance, offering effortless access to Downtown Dubai, Burj Khalifa, Burj Al Arab, Media City, Dubai World Trade Centre and the airport, all set against sweeping 360-degree views of the city skyline.
